Content Offerings: Brochures

African Americans and Clinical Research
If you have ever taken a pill or been treated for an illness, you have seen the benefits of clinical trials. Each year, thousands of African Americans take part in clinical trials to help find ways to prevent, treat, and cure illness. Clinical trials help African Americans and all people enjoy better health.

BUILDING BRIDGES Between Health Care Providers (HCPs) and Clinical Research
A guide to building relationships that benefit patients and the public

DEBUNKING COMMON MYTHS ABOUT CLINICAL TRIALS (STUDIES)

Let us recognize and thank study volunteers.
They are Medical Heroes and they can be found in everyday places.

SHOULD I PARTICIPATE?
Make an informed decision about clinical trial participation

Should My Child Participate?
Helping you make an informed decision about your child’s participation in a clinical study.

Taking part in a clinical trial.
Every year millions of people make the courageous decision to participate in clinical research. Study participants form a partnership with researchers and health professionals, and play an important role in advancing knowledge about the nature of diseases and how to treat them.

What follow are questions that you should consider before choosing to participate in a clinical research study.

What is a Placebo and Why Are Placebos Used in Clinical Trials?
If you or someone you know is considering taking part in a clinical trial, this brochure is for you. It is intended to help you understand what placebos are, and why they are used in clinical trials.

Los hispanos y la investigación clínica
Si usted es una madre, padre, hija o hijo de origen hispano, desea saber más sobre la investigación clínica. Estas importantes proyectos de investigación ayudan a encontrar formas de diagnosticar, prevenir y tratar enfermedades para que los hispanos y todo el mundo puedan gozar de una vida más larga y sana en el futuro.

El centro para la información y el estudio de participación en investigación clínica
Content Offerings: Videos

Multi-lingual versions available
CISCRP can review and enhance existing website and video content and adapt existing print or digital collateral for these platforms.

We can also work with you to develop new, original website and video content.
