

Thank you to everyone involved in clinical research for pushing the boundaries of medicine to find new treatments and vaccines.

Medical advancements wouldn't be possible without the millions of people who take part in clinical research. Together, we are making discoveries that can help us improve medicine for generations to come.

To learn more about clinical research and to show your appreciation, visit [CISCRP.org](https://www.ciscrp.org).

A sincere thank you to all medical heroes from the following organizations:
