## Join Our Multidisciplinary Community That Is Improving Mental Health Care... Together

Shared information, increased collaboration, and ongoing discussion will lead to improved mental health care and patient outcomes for individuals with mental illnesses.

## Quickly Learn More About The Topics You're Interested In

Select a learning track to review curated, topic-specific material and participate in a micro-course or request a custom program for a more personalized experience.

## Access An Award-Winning Library Of On-Demand Mental Health Resources

With over 6,000 resources, keep up-to-date on the biggest topics in mental health care:

- Bipolar Disorder
- Major Depressive Disorder
- Schizophrenia
- Co-Occurring Substance Use
- Care Coordination
- Payer & Financing Models
- Wellness
- Stigma
- E-Health & Technology
- Health Care Policy & Legislation
- Quality Standards & Performance Measures

## Gain Key Insights From Industry Experts & Thought Leaders

Hear from speakers and organizations helping to improve the lives of individuals with mental health needs. PsychU provides a platform to spotlight perspectives and experiences across the behavioral health field – from innovative clinical professionals and experienced executives to community leaders and advocates.

Attend live events and webinars that give you a platform for discussion and a place to share experiences. We host hundreds of programs each year, which you can participate in from the comfort of your home or office, or at a local meeting in your area.
