

Say Hello To The New PsychU App.

Now, all of the great content and features you love about the PsychU website are accessible at your finger tips.

Easier Access To The Features You Love

With the swipe of a finger, you'll have immediate access to our Resource Library, Webinar Archive, Member Polls, and much more.

Get Push Notifications

Now your PsychU notifications can be sent directly to your mobile device as a push notification.

Live Stream Webinars

With the PsychU app, you can now register for our interactive webinars straight from your phone and live stream them with the help from our friends at GoToWebinar.
