For Mental Health

## Patient & Caregiver Collection

Helping healthcare professionals to provide people living with mental illness, as well as their families, friends, and caregivers, the support and information they need to educate themselves about their illness, empower themselves to take an active role in their health care, and engage with health care professionals while working towards recovery.

PsychU members may choose to refer patients and caregivers to PsychU's Patient & Caregiver sub-site. Members should use their own independent judgment in determining whether to refer patients or caregivers to the Patient & Caregiver site. The resources provided on the Patient & Caregiver sub-site are intended for educational purposes only. Information is not intended as, nor is it a substitute for, medical care, advice, or professional diagnosis. PsychU is supported by Otsuka Pharmaceutical Development & Commercialization, Inc. (OPDC), Otsuka America Pharmaceutical, Inc. (OAPI), and Lundbeck, LLC – committed supporters of the mental health treatment community. The information provided through PsychU is intended for the educational benefit of mental health care professionals and others who support mental health care. It is not intended as, nor is it a substitute for, medical care, advice, or professional diagnosis. Health care professionals should use their independent medical judgement when reviewing PsychU's educational resources. No CME or CEU credits are available through any of the resources provided by PsychU. Some of the contributors may be paid consultants for OPDC, OAPI, and / or Lundbeck, LLC.
