

MOBILE EXHIBIT

The *Journey to Better Health* mobile exhibit is coming to your community this fall!

Have you or anyone in your community ever taken medicine, had a medical procedure, or used a medical device? If so, you have benefited from clinical research!

Visit our interactive mobile exhibit to learn about clinical research, why diversity is important, and ways to get involved.

Details:

- ✓ Coppin State University Campus | October 5th | 4-7 PM
- ✓ Fell's Point Fun Festival | October 7th | 11 AM - 8 PM
- ✓ Baltimore City Farmers' Market | October 8th | 7 AM - 12 PM

This exhibit is free and open to the public.
